Handy hints on sending overseas

When sending items overseas, please use the following checklist to help ensure fast and safe delivery of your item.

Is your item safe to mail?

Some items are considered dangerous, and are prohibited or restricted, such as aerosols, flammables etc. Please ensure that your items are safe to send.

Can you send your item to your selected destination?

Country specific regulations define what you can send and how you can send it. Please ensure that you check if the contents of your item are acceptable in your **destination country**.

Is your item packed securely?

Use our **Packaging Guidelines** available in-store to help ensure that fragile or dangerous items travel safely.

Is your item addressed correctly?

Correct addressing and the inclusion of a postcode will help ensure your item reaches its destination on time. Always include a return address on your item.

Does your item contain valuables?

This service is suitable for sending items up to \$100 in value. If your item is valued over \$100, you should purchase Extra Cover^ – it provides loss or damage cover from \$100 up to \$5000. This service is not suitable for items over \$100 such as jewelry, electronics or passports unless Extra Cover^ is purchased.

If your parcel is lost or damaged, and you haven't purchased Extra Cover^, compensation of up to \$100 and a postage refund may be payable. Subject to the Australian Consumer Law, Australia Post does not accept liability for any consequential or indirect loss or damage arising due to any failure related to our service. Neither the cover included with our service nor the purchase of Extra Cover^ limits any rights you may have under the Australian Consumer Law.

Different countries have different rules about valuable items in the mail. Check to make sure your valuables are sent correctly to ensure safe delivery. We strongly recommend taking out Extra Cover^ on your valuable items. Some countries will only accept valuable items if they are insured. Please always refer to the **International Post Guide** before sending.

Country restrictions

For specific country restrictions, refer to the **International Post Guide**.
