

Local Pickup & Delivery Services

Convenience, Control, Confidence

With easy and convenient pickup and delivery options to suit your business, Australia Post's Local Pickup & Delivery Services can help take the hassle out of your mail operations.*

Day-to-day jobs made easier

Whether you need your letters or parcels delivered regularly from your PO Box to your business, multiple items delivered to the same address, or a same business day pickup for urgent articles – you can be confident Australia Post can help.

Flexibility and convenience

Offering flexibility to select the service and delivery time, you can select the service that helps you best service your customers and your business. Choose from scheduled pickups and deliveries (where the service is required at least once per week) or ad hoc bookings (same business day service^).

Simple nationwide pricing⁺

We offer a simple nationwide flat-rate pricing structure subject to the availability of transport mode in your selected area. Pricing will be presented in your Services Agreement and billed to your Australia Post Business Credit Account.
